

# The Meadows

*Living immediately adjacent to a family-friendly golf course may be well within your means in Howard.*

The Carmon Meadows Housing Development runs along the Howard golf course's east side and is also within easy walking distance of Main Street businesses.

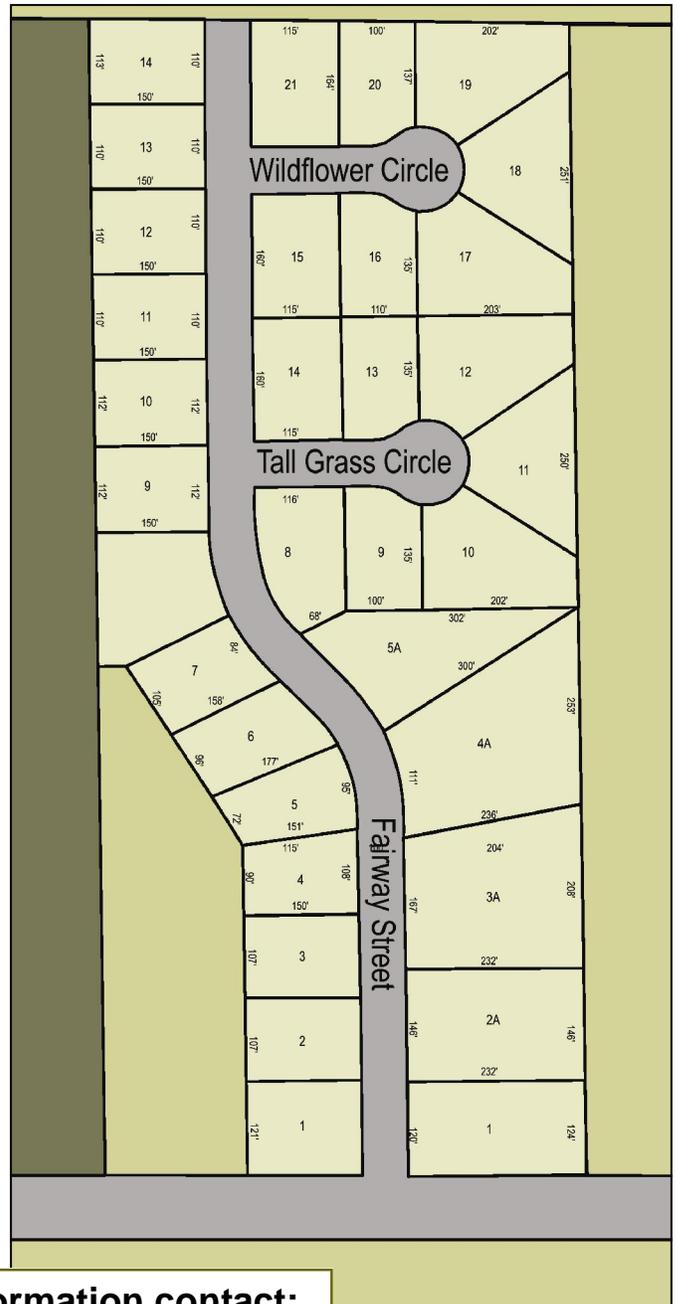

A newly constructed lot in the Meadows Housing Development.

Home lots start at \$10,000 and there's an added bonus: annual green fees are just \$200 per person, or \$250 per family.

Better yet, there's never a wait to get onto this pleasant, nine-hole course. In fact, any summer morning you might have the whole course to yourself.

The Howard Golf Course is a well groomed 9-hole course
